

UNIVERSITY OF
BIRMINGHAM

Culture & Connect

Peer Support Network for International Students

Moving to a new country, adapting to a new culture, and adjusting to university life can be overwhelming. That's why we created **Culture & Connect**, a peer support network for international students.

Culture & Connect is facilitated by a diverse group of international students who understand your journey and are eager to help you find your footing.

Whether you're feeling overwhelmed by cultural differences, homesickness, or the pressure of university life, we're here to listen, share experiences and provide support. We run regular meet-ups throughout the year, with a mix of discussions and fun activities, to help you feel less lonely and more connected.

More Details Below:

Each session will be held **every two weeks** on **Wednesdays** at **2-5pm** in Careers Network Room, G30, Aston Webb (R7 on Campus Map).
